Independent Auditor's Report

Board of Commissioners
Moline Housing Authority
Moline, Illinois

I have audited the accompanying financial statements of the business type activities of Moline Housing Authority, as of and for the year ended March 31, 2021, and the related notes to the financial statements, which collectively comprise the Moline Housing Authority's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Moline Housing Authority's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Moline Housing Authority's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements referred to above present fairly, in all material respects, the net position of the Moline Housing Authority, as of March 31, 2021 and the changes in its net position and its cash flows for the year end in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplemental Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages 3 through 8 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. I have applied certain limited procedures on the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to my inquiries, the basic financial statements, and other knowledge I obtained during my audit of the basic financial statements. I do not express an opinion or provide any assurance on the information because the limited procedures do not provide me with sufficient evidence to express an opinion or provide any assurance.

Other Information

My audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Moline Housing Authority's basic financial statements. The accompanying Schedule of Expenditures of Federal Awards is presented for purposes of additional analysis as required by *Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, and is not a required part of the financial statements. Further, the financial data schedules shown on pages 36 to 40, and other supplemental information as listed in the table of contents are presented for purposes of additional analysis as required by *Uniform Financial Reporting Standards* issued by the U.S. Department of Housing and Urban Development, and are not a required part of the financial statements.

Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In my opinion, the above described supplemental information is fairly stated in all material respects in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, I have also issued my report dated November 12, 2021 on my consideration of the Moline Housing Authority's internal control over financial reporting and on my tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements, and other matters. The purpose of that report is to describe the scope of my testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Moline Housing Authority's internal control over reporting and compliance.

FISCAL YEAR ENDING MARCH 31, 2021**

Management's Discussion and Analysis

As management of the Moline Housing Authority, we offer the readers of the Authority's financial statements this narrative overview and analysis of the financial activities of the Authority for the year ended March 31, 2021. We encourage readers to consider the information presented here in conjunction with the Authority's financial statements.

Questions concerning any of the information provided in this report or requests for additional information should be addressed to the Executive Director, Moline Housing Authority, 4141 11th Ave. A, Moline, Illinois 61265, (309) 764-1819.

Overview of The Financial Statements

The financial statements included in this annual report are those of a special-purpose government agency engaged in a business-type activity. Project based accounting was used for the first time for year ended March 31, 2017. The following statements are included:

- Statement of Net Position – reports the Authority's current financial resources (short term spendable resources) with capital assets and long-term debt obligations.
- Statement of Revenue, Expenditures, and Changes in Fund Net Position - reports the Authority's operating and non-operating revenues, by major source along with operating and non-operating expenses and capital contributions.
- Statement of Cash Flows – reports the Authority's cash flows from operating, investing, capital and non-capital activities.

Financial Highlights

The Moline Housing Authority's net position decreased from \$7,261,194 to \$6,728,501, a decrease of \$532,693 or 46%. The total assets decreased by \$394,070.

Total revenues and contributions decreased from \$5,331,141 to \$4,855,826, a decrease of \$475,315, or 9%. Revenues comprised of rental income, HUD operating grants, HUD capital grants, other government grants, investment income and other revenue and contributions.

Total expenses decreased by \$95,821 or 2% from \$5,487,425 to \$5,391,604 for the current year.

**MOLINE HOUSING AUTHORITY
MANAGEMENT DISCUSSION AND ANALYSIS
FISCAL YEAR ENDING MARCH 31, 2021**

To fully understand the financial statements of the Housing Authority, one must start with an understanding of what the Authority actual does. The following is a brief description of the programs and services that the Authority provides for the residents of Moline, Illinois:

Low Income Public Housing

The Housing Authority owns 486 units at 3 sites in Moline, Illinois. Spring Valley has 182 elderly units, Springbrook has 184 family units and Hillside Heights has 120 elderly units. The Authority is responsible for the management, maintenance and utilities for all units and sites. On an annual basis, the Authority submits a request for funding known as the Calculation of Operating Fund Subsidy. The basic concept of the Calculation of Operating Subsidy is that the Authority has an Allowable Expense Level, Allowable Utilities Expense Level and Audit Costs and that HUD will fund the difference between the Allowable Expenses and the amount of rents that the Authority can charge the Authority's tenants.

Section 8 Housing Choice Vouchers

HUD has contracted with the Housing Authority through an Annual Contributions Contract to provide funding for 234 Housing Choice Vouchers. The Authority pays Housing Assistance Payments to independent landlords for a lease that sets the low-income participant's rent at 30% of adjusted income. The Housing Assistance Payment matches the difference between the total rent that the landlord can charge, at or below a fair market rent amount supplied by HUD, and the amount that the tenant can pay. For each unit that the Authority administers, HUD pays the Authority an administrative fee. The Housing Authority is not responsible for the upkeep and maintenance of the units and properties associated with this program.

Capital Fund Program

This grant program is awarded by HUD on an annual basis and is the primary funding source for physical and management improvements to the Authority's properties. The Authority requisitions funds from HUD as the Authority expends funds. The Authority is permitted four years to fully expend an annual award.

Fiesta Manor

The Housing Authority purchased a six (6) two (2) bedroom Project Based Section 8 housing under the U.S. Department of Housing and Urban Development (HUD) multi-family housing program. The Moline Housing Authority is amongst the few Housing Authorities in the country to operate both conventional low-income public housing and multi-family housing and we are very proud of this achievement. This purchase is demonstration of the Housing Authority's commitment to providing additional housing to meet the need for affordable housing in the City of Moline.

Analysis of Entity Wide Expenditures

Total Expenditures including depreciation for Fiscal Year Ending March 31, 2021, were \$5,391,604 as compared to \$5,487,425 total expenditures for Fiscal Year Ending March 31, 2020. Comparatively, Fiscal Year Ending 2020 expenditures were more than Fiscal Year Ending 2021 expenditures by \$95,821. Changes by major expense category will be presented below.

Administrative expenditures increased by \$95,247 due to an increase in administrative expenses related to the CARES Act Funding.

Tenant Services increased by \$2,080.

Utilities increased by \$21,575 or 5% due to fluctuations in consumption and price.

Maintenance expenditures decreased by \$330,405 or 23% because of the decrease in contract costs.

General Expense and Interest increased by \$14,834 because of the increase in interest expense and insurance.

Housing Assistance Payments increased by \$17,602 from last year.

Depreciation Expense increased due to new capital items being depreciated in the current year.

Budgetary Analysis

The Authority adopts a consolidated annual operating budget for all programs. The budget for Low Income Public housing is adopted on the basis of accounting prescribed by the Housing and Urban Development, which differs in some respects from generally accepted accounting principles.

The Authority prepares a budget for each fiscal year of Capital Fund Grant Program that is approved by HUD. The Authority is permitted four years to expend these funds. Income is only recognized as funds are expended.

Note 1 - Summary of Significant Accounting Policies

(a) Organization and Reporting Entity -

The Moline Housing Authority was established by the City of Moline pursuant to the laws of the State of Illinois, to transact business and to have powers as defined therein. The Housing Authority was established to provide low-rent housing for qualified individuals in accordance with the rules and regulations prescribed by the Department of Housing and Urban Development and other applicable Federal Agencies.

Under the United States Housing Act of 1937, as amended, the U.S. Department of Housing and Urban Development (HUD) had direct responsibility for administering low-rent housing programs in the United States. Accordingly, HUD has entered into a contract with the Authority for the purpose of assisting in financing the acquisition, construction and leasing of housing units and to make annual contributions (subsidies) to the program for the purpose of maintaining its low-rent character.

In evaluating the Authority as a reporting entity, management has addressed its relationship with the City of Moline and concluded that the City does not maintain an oversight responsibility for the Authority's operations. An independent Board of Commissioners, appointed by the Mayor, is responsible for the activities of the Authority. The Authority recruits and employs its executive staff and has substantial legal authority to control its affairs without requiring approval of the City government. Debt incurred by the Authority is not an obligation of the City; the City does not review or approve the Authority's budget, is not entitled to any surplus funds generated by the Authority's operations and is not responsible for any deficits incurred by the Authority.

The Authority is governed by a Board of Commissioners appointed by the office of the Mayor, and has governance responsibilities over all activities related to all housing activities within the City. The Board of Commissioners has decision making authority and the power to designate management. The members do not serve at the discretion of the Mayor, i.e. they can only be removed for cause. The Authority's Board elects its own chairperson.

Consequently, in accordance with evaluating the criteria set forth in Section 2100 and 2600 of the Governmental Accounting Standards Board Codification, management has concluded that the Moline Housing Authority is a separate reporting entity. All funds and programs of the Housing Authority are included in these statements. The Housing Authority has one component unit, Moline Housing Development Corporation reported as a blended unit of the Housing Authority.

Note 1 - Summary of Significant Accounting Policies

(b) Component Unit -

Consistent with applicable guidance, the criteria used by the Authority to include component units within its reporting entity are financial accountability and the nature and significance of the relationship. The Authority included organizations as component units under the following financial accountability criteria:

1. Organizations for which the Authority appoints a voting majority of the organizations governing body and for which (a) the Authority is able to impose its will on the organization or (b) there is a potential for the organization to provide specific financial benefits to, or impose specific financial burdens on the Authority.
2. A financial benefit or burden relationship between the Authority and the component unit.
3. Management of the Authority has operational responsibility for the activities of the component unit.

The following is a brief description of the blended component unit meeting the above criteria that is included in the PHA's financial reporting entity.

The Moline Housing Development Corporation is a not-for-profit subsidiary established to promote and advance the common good and welfare of Moline, Illinois residents by constructing, acquiring, owning, leasing and renting facilities. It provides low-rent housing to qualified individuals. The Component Unit is supported primarily through rental income receipts and HUD subsidy. All Component Unit employees also work for the Moline Housing Authority. The Component Unit's Section 8 rental subsidy is received under a special allocation program.

(c) Method of Accounting -

The financial statements of the Housing Authority have been prepared on the accrual basis of accounting and accordingly, reflect all significant receivables, payables and other liabilities. The Housing Authority applies all relevant Governmental Accounting Standards Board (GASB) pronouncements.

Note 1 - Summary of Significant Accounting Policies

(d) Financial Statement Presentation

Although a formal policy has not been adopted, by practice the Authority distinguishes operating revenues and expenses from non-operating items. Operating revenues and expenses generally result from providing services in connection with the Authority's principal ongoing operations. Principal operating revenues are tenant rents and HUD grants. Operating expenses include administration, maintenance, insurance, depreciation, utilities, housing assistance payments and other general expenses. All revenues and expenses not meeting these definitions are reported as non-operating revenues and expenses.

(e) Funds -

Each of the programs of the Housing Authority are organized on a basis of fund accounting, using a separate set of self balancing accounts as prescribed by HUD. The programs of the Housing Authority are:

- * Public and Indian Housing
- * Public Housing Capital Funds

- * Resident Opportunity and Supportive Services (ROSS)

These programs are all accounted for within the 'Proprietary' (enterprise) fund as described below:

Proprietary Fund Types:

Proprietary funds use the economic resources measurement focus and utilize the accrual basis of accounting. All assets and liabilities associated with a proprietary fund's activities are included on the fund statement. Proprietary fund equity is segregated into Net Investment in Capital Assets, Restricted and Unrestricted.

(f) Cash and Cash Equivalents -

For purposes of the statement of cash flows, the policy of the Housing Authority is to consider all highly liquid investments to be cash equivalents. The term "highly liquid" refers to investments with a maturity of three (3) months or less when purchased to be cash equivalents.

(g) Interprogram Receivables and Payables

During the course of operations, numerous transactions occur within individual programs that may result in amounts owed between these programs. These receivables and payables are classified as "due from other programs" or "due to other programs" on the combining statement of net position in the REAC Financial Data Schedule and have been eliminated in the basic financial statements.

Note 1 - Summary of Significant Accounting Policies

(h) Accounts Receivable -

The tenants accounts receivable discloses the gross amount due from the tenants at March 31, 2021, and does not take into consideration prepaid amounts. The Housing Authority provides for an allowance for doubtful accounts, based on the estimated collections of current accounts receivables. The Housing Authority periodically writes off uncollectible accounts receivable to the allowance account based on a review of the current status of existing receivables and the determination that the receivable will not be collected.

(i) Inventories and Materials -

Inventories and materials are stated at cost which approximates market determined on a first-in, first-out basis.

(j) Investments -

Investments are stated at cost which approximates market.

(k) Capital Assets -

For the purpose of determining, distinguishing and recording materials and non-expendable equipment and personal property purchased or acquired in connection with development, management, and maintenance of public housing developments owned or operated, the Housing Authority follows the following capitalization policy:

If anticipated life or useful life of said equipment or property is one thousand dollars (\$1,000) (with the exception of ranges and refrigerators) or and the anticipated life is more than one (1) year, the same shall be capitalized and recorded as non-expendable equipment and charged as a capital expenditure.

Land, buildings and equipment contains the following:

- 1) The total development construction costs incurred for each project at the end of the initial operating period,
- 2) nonexpendable equipment, and
- 3) property betterments and additions
- 4) land acquisitions.

(k) Capital Assets - (Continued)

These are recorded at cost. Depreciation of property and equipment is provided using the straight line method for financial reporting purposes at rates based on the following estimates:

Buildings	40	years
Transportation equipment	5	years
Furniture, fixtures and equipment	3-10	years
Leasehold improvements	15	years

(l) Net Position -

GASB Statement 63 requires the classification of net position into three components as defined below:

- 1) Net investment in capital assets - capital assets, net of accumulated depreciation, reduced by the outstanding balances of debt and deferred inflows of resources related to the acquisition, construction or improvement of those assets.
- 2) Restricted - restricted assets reduced by liabilities and deferred inflows of resources related to those assets.
- 3) Unrestricted - amounts not required to be reported in the other components of net position.

(m) Income Tax -

The Authority, organized under Illinois state law as a municipal corporation subsidized by the Federal government, is exempt from Federal and State income taxes.

(n) Annual Contributions/Subsidies and Other Grants

Annual contributions and subsidies received from the Department of HUD are recorded as grant revenues.

Other grants (such as CFP grants) are recognized when program expenditures are incurred. Such revenue is subject to review by the Department of Housing and Urban Development and may result in disallowance in subsequent periods.

- (o) The Housing Authority adopts a budget annually. The budget is submitted to the Department of Housing and Urban Development for approval. The final budget revision was adopted by the Board of Commissioners on March 15, 2021.

Note 1 - Summary of Significant Accounting Policies

- (p) The preparation of financial statements in conformity with generally accepted accounting principles require the Housing Authority to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.
- (q) Leasing activities (as lessor) - the Authority is the lessor of dwelling units mainly to low income and/or elderly and disabled residents. The rents under the lease are determined generally by the resident's income as adjusted by eligible deductions regulated by HUD, although the resident may elect for a flat rent option. Leases may be cancelled by the lessee at any time. The Authority may cancel the lease only for cause.
- (r) Rental income is recognized as rents become due.
- (s) At any time during the year and at year end, there are construction projects in process. These projects include modernizing rental units. The projects are funded by HUD and funds are requested periodically as costs are incurred.

Note 2 - Cash and Investments

Statutes authorize the Housing Authority to invest in certificates of deposit, money market funds, United States government securities and repurchase agreements fully collateralized by United States government securities.

All cash and investments are entirely insured or collateralized. The Department of Housing and Urban Development requires financial institutions to secure the PHA's deposits by pledging government securities as collateral. The Housing Authority may waive the collateral requirements that are fully insured by the Federal Deposit Insurance Corporation (FDIC) or the Federal Savings and Loan Insurance Corporation (FSLIC) or other equivalent insurance coverage.

Custodial Credit Risk

- a. Deposits - Custodial credit risk is the risk that in the event of a financial institution failure, the Authority's deposits may not be returned to or that the Authority will not be able to recover collateral securities in the possession of an outside party.
- b. Investments - Custodial credit risk is the risk that in the event of the failure of the depository, the Authority will not be able to recover the value of its investments or collateral securities that are in the possession of the outside party.

Credit Risk Investments, Concentration of Credit Risk and Interest Rate Risks - Investments

Credit Risk is the risk that an issuer or other counter party to an investment will not fulfill its obligations. The Housing Authority has no investment policy that limits its investment choices other than the limitation of state law and/or the Department of Housing and Urban Development regulations.

Concentrations of Credit Risk is the risk of loss attributed to the amount of the investment in a single issuer. The Authority does not have a formal investment policy covering the concentration of credit risk.

Investment Rate Risk is the risk that changes in interest rates will adversely affect the fair value of an investment. The Housing Authority has no formal policy that limits investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates.

The cash deposits held at financial institutions can be categorized according to three levels of risk. These three levels of risk are as follows:

Category 1 - Deposits which are insured or collateralized with securities held by the Housing Authority or by its agent in the Housing Authority's name.

Category 2 - Deposits which are collateralized with securities held by the pledging financial institution's trust department or agent in the Housing Authority's name.

Category 3 - Deposits which are not collateralized or insured.

Based on the three levels of risk, all of the Housing Authority's funds are classified as Category 1.

Personal Days

The Authority provides full-time employees seven (7) personal days per calendar year to attend to personal matters such as doctor and dentist appointments, children’s school activities or other personal obligations or illnesses.

Full-time employees are eligible to take personal time after completing ninety (90) days of employment. Personal days are prorated during the first year of employment based on the employee’s hire date and annually thereafter on January 1 of each year.

Unused personal days carry over from year-to-year, with a maximum accumulation of 120 hours (15 days). Personal days may not be cashed out in lieu of time off. Employees who provide a two week notice of resignation and work the notice period will be paid for any accrued and unused personal days in their final paycheck.

Vacation

Eligibility

All full-time employees are eligible to earn paid vacation time based on the schedule below.

Eligible employees begin to accrue vacation after 90 days of employment.

<u>Years of Continuous Employment</u>	<u>Vacation Time Accrued Per Pay Period</u>	<u>Vacation Earned Per Year</u>

Note 4 - Defined Contribution Plan

The Housing Authority provides pension benefits for all of its full-time employees through a defined contribution plan with American United Pension. In a defined contribution plan, benefits depend solely on amounts contributed to the plan plus investment earnings. The plan, established by the board of Commissioners, can only be amended by the Board. Employees are eligible to participate after one month. The plan requires the Housing Authority to contribute 13% of covered wages, contributions totaled \$130,617 in the current fiscal year. Total annual related payroll expense was \$1,049,855.

Housing Authority contributions forfeited by employees who leave employment prior to vesting are used to reduce current costs and contribution requirements. An employee shall be vested as set forth below:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 1	0%
1 but less than 2	20%
2 but less than 3	40%
3 but less than 4	60%
4 but less than 5	80%
5 or more	100%

If a Participant's termination of employment is because of his death or disability, he shall be 100% vested. However, if a Participant terminates employment prior to his death or disability, he shall be vested pursuant to the above schedule.

A Participant shall be 100% vested upon his attainment of the Normal Retirement Age. However, if a Participant terminates employment prior to his attainment of the Normal Retirement Age, he shall be vested pursuant to the above schedule.

Note 5 - Post-Employment Benefits

Note 16 - Administrative Fee

The PHA receives an "Administrative Fee" as part of the annual contribution from HUD to cover the costs (including overhead) of administering the HAP Program. This fee is determined by HUD on a calendar year basis.

Note 17 - Allocation of Overhead Costs

The PHA allocated expenses not attributable to a specific program to all programs under management. The basis for this allocation was the number of units/bedrooms in each program. Management considers this to be an equitable method of allocation.

Note 18 - Contingencies

Federal Grants

In the normal course of operations, the Housing Authority receives grant funds from the Department of Housing and Urban Development. The programs are subject to audit by agents of HUD, the purpose of which is to ensure compliance with conditions precedent to the granting of funds. Any liability for reimbursement which may arise as a result of these audits is not believed to be material.

**NOTES TO THE SCHEDULE OF FEDERAL AWARDS (SEFA)
TWELVE MONTHS ENDED MARCH 31, 2021**

Note 1 – Basis of Presentation

The accompanying schedule of expenditures of federal awards includes the federal grant activity of the Moline Housing Authority (Authority) and is presented on the accrual basis of accounting.

The schedule summarizes the federal funds expended by the Authority under the programs of the federal government during the year ended March 31, 2021. The schedule of expenditures of federal awards displays the Authority's expenditures charged to federal programs for the year ended March 31, 2021, the cost principals in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. The Authority has not implemented the 10% de minimis indirect cost rate allowed under the Uniform Guidance.

Note 2 – Sources of Funding

The schedule includes all grants and contracts entered into directly between the Authority and agencies and departments of the federal government, as well as federal funds passed-through to the Authority by primary recipients. The Authority provided no part of its direct grant federal dollars to sub-recipients.

The Authority did not receive any non-cash assistance from federal funds, had no federal insurance, nor have any federal loan or loan guarantees outstanding as of March 31, 2021.

**Independent Auditor's Report on Internal Control over Financial Reporting and on
Compliance and Other Matters Based on an Audit of Financial Statements Performed in
Accordance with *Government Auditing Standards***

Board of Commissioners
Moline Housing Authority
Moline, Illinois

I have audited in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of the Moline Housing Authority, which comprise the statement of net position as of March 31, 2021, and the related statements of changes in net position and cash flows for the year then ended, and the related notes to the financial statements, which collectively comprise the Moline Housing Authority's basic financial statements and have issued my report thereon dated November 12, 2021.

Internal Control Over Financial Reporting

In planning and performing my audit of the financial statements, I considered the Moline Housing Authority's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing my opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Moline Housing Authority's internal control. Accordingly, I do not express an opinion on the effectiveness of the Moline Housing Authority's internal control over financial reporting.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. *A material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Moline Housing Authority's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

My consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control, that might be material weaknesses or significant deficiencies. Given these limitations, during my audit I did not identify any deficiencies in internal control that I consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Moline Housing Authority's financial statements are free from material misstatement, I performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of my audit, and accordingly, I do not express such an opinion. The results of my tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of my testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Moline Housing Authority's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Moline Housing Authority's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Certified Public Accountant

Independent Auditor's Report on Compliance Applicable to Each Major Federal Program and on Internal Control Over Compliance Required by the Uniform Guidance

Board of Commissioners
Moline Housing Authority
Moline, Illinois

Report on Compliance for Each Major Federal Program

I have audited the Moline Housing Authority's compliance with the types of compliance requirements described in the *OMB Compliance Supplement*, that could have a direct and material effect on each of the Moline Housing Authority's major federal programs for the year ended March 31, 2021. The Moline Housing Authority's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

My responsibility is to express an opinion on compliance for each of the Moline Housing Authority's major federal programs based on my audit of the types of compliance requirements referred to above. I conducted my audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of *Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance)*. Those standards and *the Uniform Guidance* require that I plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a material effect on the major federal programs occurred. An audit includes examining, on a test basis, evidence about the Moline Housing Authority's compliance with those requirements and performing such other procedures as I considered necessary in the circumstances.

I believe that my audit provides a reasonable basis for my opinion on compliance for each major program. However, my audit does not provide a legal determination of the Moline Housing Authority's compliance.

Opinion on Each Major Federal Program

In my opinion, the Moline Housing Authority complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended March 31, 2021.

Report on Internal Control Over Compliance

Management of the Moline Housing Authority is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing my audit of compliance, I considered the Moline Housing Authority's internal control over compliance with the types of requirements that could have a direct and material effect on a major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing my opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with *Uniform Guidance*, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, I do not express an opinion on the effectiveness of the Moline Housing Authority's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirements of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a *material weakness* in internal control over compliance, yet important enough to merit the attention by those charged with governance.

My consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be *material weaknesses* or *significant deficiencies*. I did not identify any deficiencies in internal control over compliance that I consider to be *material weaknesses*, as defined above. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of my testing of internal control over compliance and the results of my testing based on the requirements of *Uniform Guidance*. Accordingly, this report is not suitable for any other purpose.

Board of Commissioners
Moline Housing Authority
Moline, Illinois

In planning and performing my audit of the financial statements of Moline Housing Authority as of and for the year ended March 31, 2021, in accordance with auditing standards generally accepted in the United States of America, I considered the Housing Authority's internal control over financial reporting (internal control) as a basis for designing my auditing procedures for the purpose of expressing my opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Moline Housing Authority's internal control. Accordingly, I do not express an opinion on the effectiveness of Moline Housing Authority's internal control.

The administration of the Housing Authority is responsible for establishing and maintaining a system of internal accounting control. In fulfilling this responsibility, estimates and judgements by the administration are required to assess the expected benefits and related costs of control procedures. The objectives of a system are to provide reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with authorization and recorded properly to permit the preparation of financial statements in accordance with generally accepted accounting principles.

Because of inherent limitations in any system of internal accounting control, errors or irregularities may nevertheless occur and not be detected. Also, projection of the system to future periods is subject to the risk that procedures may become inadequate because of changes in conditions or that the degree of compliance with the procedures may deteriorate.

My study and evaluation made for the limited purpose described in the first paragraph would not necessarily disclose all material weaknesses in the system. However, my study and evaluation disclosed certain conditions in the following areas of which you should be aware in order to improve operating efficiencies and strengthen internal controls:

1. During the prior year end audit, I noted that the year end financial statements were not accurately reported in the year end report submitted to the Department of Housing and Urban Development/REAC. The current year end audit disclosed many of the same issues with the 2021 reporting. I noted that account receivables and account payables were not properly reconciled and reported. The ROSS grant received by the housing authority during the year was not properly accounted for as a separate grant and was completely omitted from the unaudited year end report to the Department of Housing and Urban Development.

Although the Housing Authority retained the services of a fee accountant to assist with the preparation of the financial statements and the year end reporting to HUD and REAC, the Housing Authority must make every effort to be sure that the financial statements and the reports prepared by the fee accountant accurately reflect the financial position of the Housing Authority. While the overall misstatements reported may not be material, the number of accounts misstated were material.

2. The audit procedures performed also revealed that the ROSS grant revenues were commingled with AMP 1 of the public housing program. Additionally, there were no specific expenses allocated to the ROSS grant program. As a result, the financial statements of the agency for March 31, 2021 do not reflect that any of the Ross Grant funds were expended. The ROSS funds received (revenues) were closed into the equity accounts of the AMP 1 program.

Management of the Housing Authority indicated that there were expenses related to the public housing program and the Section 8 housing choice voucher program that were to have been allocated to the ROSS grant program. An extensive review of the 2021 expenditures should be made and a prior period adjustment in each of the affected programs should be recorded if warranted in FYE 2022.

3. The two AMPs of the Public Housing Program share one bank checking account. During the audit, I noted that during the fiscal year, the cash accounts of each of the respective program were not adjusted for the cash transactions that were recorded. The monthly transactions were recorded through interfund payable/receivable accounts; however, the interfund payable/receivable balance was never cleared through the shared cash account. At year end the bank account was adjusted to allocate a portion of the reconciled cash to each of the AMP's, but no formal allocation could be provided. The interfund account was not eliminated.

On a regular basis (monthly) the interfund receivable and payable accounts of each program should be cleared and cash transferred or adjusted accordingly.

4. The Capital Fund Program budgets allow for both soft costs and capital costs. In prior periods, the soft costs could be readily identified based on the CFP control account they were charged to during the year. During FYE 2021, I was able to identify the soft costs recorded on an individual basis, but the control accounts no longer reconciled to the cumulative amount of soft cost expenditures incurred.
5. The general ledger postings for Housing Assistance Payments (HAP) do not reflect separate accounts for 'regular HAP' and "HAP Port-In". As a result, the general ledger cannot be reconciled to the VMS reports for HAP. The Housing Authority is reminded to separate (a) HAP, (b) HAP port-in and (c) HAP port-out in their financial statements so that the VMS reporting and financial reporting reflect the same amounts.

Moline Housing Authority

I have audited the financial statements of the business-type activities (and the aggregate discretely presented component units) of the Moline Housing Authority for the year ended March 31, 2021. Professional standards require that I provide you with information about my responsibilities under generally accepted auditing standards (and, if applicable, *Government Auditing Standards* and the Uniform Guidance), as well as certain information related to the planned scope and timing of my audit. I have communicated such information in my engagement letter to you dated October 19, 2021. Professional standards also require that I communicate to you the following information related to my audit.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by Moline Housing Authority are described in Note 1 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during the fiscal year ended March 31, 2021. I noted no transactions entered into by Moline Housing Authority during the year for which there is a lack of authoritative guidance and consensus. All significant transactions have been recognized in the financial statement in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimate(s) affecting the Housing Authority's financial was:

Management's estimate of the depreciation expense is based on estimated useful lives of capital assets. I evaluated the key factors and assumptions used to develop the depreciation expense in determining that it is reasonable in relation to the financial statements taken as a whole.

The financial statement disclosures are neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit

I encountered no significant difficulties in dealing with management in performing and completing my audit.

Corrected and Uncorrected Misstatements

Professional standards require me to accumulate all known and likely misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. In addition, none of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to each program's financial statements taken as a whole.

Disagreement with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to my satisfaction, that could be significant to the financial statement or the auditor's report. I am pleased to report that no such disagreements arose during the course of my audit.

Management Representations

I have requested certain representations from management that are included in the management representation letter dated November 12, 2021.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to Moline Housing Authority's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, my professional standards require the consulting accountant to check with me to determine that the consultant has all the relevant facts. To my knowledge, there was no such consultation with other accountants.

Other Audit Findings or Issues

I generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as Moline Housing Authority's auditor. However, these discussions occurred in the normal course of my professional relationship and my responses were not a condition to my retention.

Other Matters

I was engaged to report on the Schedule of Expenditures of Federal Awards, the Capital Fund Cost Certificate and the Financial Data Schedule, which accompany the financial statements but are not RSI. With respect to this supplementary information, I made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with accounting principles generally accepted in the United States of America, the method of preparing it has not changed from the prior period, and the information is appropriated and complete in relation to my audit of the financial statements. I compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

Restriction on Use

This information is intended solely for the information and use of the Board of Commissioners and management of Moline Housing Authority and is not intended to be, used by anyone other than specified parties.

Very truly yours,

Pamela J. Simpson, CPA
