The Moline Housing Authority (hereinafter, “MHA”) is a public entity that was formed in 1940 to provide federally subsidized housing and housing assistance to low-income families. The Agency currently has approximately 19 employees.

In keeping with its mandate to provide safe, decent and affordable housing, MHA is now soliciting proposals from qualified, licensed and insured entities to provide the services outlined in section 2 - Scope of Work. All proposals submitted in response to this solicitation must conform to all of the requirements and specifications outlined within this document and any designated attachments in their entirety.

**2.0 SCOPE OF WORK/TECHNICAL SPECIFICATIONS.** The Agency is seeking proposals from qualified, licensed, and insured entities to provide the following detailed services listed herein:

**2.1 More than One Award Possible.** The Agencies each reserves the right to complete award to one firm only or to complete award to multiple firms. If award is made to more than one firm, such awards will be based on the Agency's opinion that a firm can offer the Agency greater value for a certain service area ("service area(s)" as detailed within the immediate following Section 2.2). The Agency reserves the right to make such decision at any time during the ensuing contract period(s) meaning, the Agency could initially make award to one firm only, then, at any time during the ensuing contract period(s), decide to make an additional award(s) if the Agency decides such is in its best interests to do so.

## REQUEST FOR QUALIFICATIONS (RFQ) No. Q20001, Architectural/Engineering Services

- 2.4 Design Product.** Any design product shall meet all state and local code requirements and shall conform to all applicable local codes, ordinances, regulations, and standards, including HUD's Section 504 program; UFAS; ADA; and ANSI requirements. The design may also include coordination for the abatement of hazardous materials as well as demolition of existing structures.
- 2.5 Method of Award (Task Order).** The Agency will retain the right to contract with any of the responsive and responsible proposers as a result of this RFQ, which shall occur in the following manner (this is sometimes called "forming a pool" of contractors that the Agency may draw from):
- 2.5.1** When the Agency has need to complete an award to a proposer, each proposer will be ranked as a result of the evaluation detailed within the following Section 4.0 herein.
- 2.5.2** Once the evaluation has been completed, the Agency staff assigned will contact the 1<sup>st</sup>-ranked proposer to ascertain as to whether or not that contractor is available to do the work within the reasonable time-frame the Agency has established for that work; if the firm is available within the Agency's requirements, the Agency shall then, in conformance with all HUD requirements, attempt to negotiate a reasonable cost with the available firm. If such negotiation cannot be successfully concluded within 5 business days (or sooner, if the Agency decides such is in its best interests), the Agency shall retain the right to suspend negotiations with that firm and proceed to the 2<sup>nd</sup>-ranked firm. PLEASE NOTE: Once the Agency has ended negotiations with the 1<sup>st</sup>-ranked firm, the Agency SHALL NOT again enter into negotiations with that firm pertaining to that task order (however, this shall not cause that firm to lose its place as the 1<sup>st</sup>-ranked firm for any following task orders, if applicable).
- 2.5.3** If, as detailed within the preceding Section 2.5.2, the 1<sup>st</sup>-ranked proposer is not available or the Agency is not able to successfully reach a negotiated cost with the 1<sup>st</sup>-ranked proposer, the Agency will proceed to the next-ranked contractor and repeat the same negotiation process. This process may be repeated by the Agency with ensuing ranked firms until the Agency has successfully negotiated a reasonable cost.

**3.0 PROPOSAL FORMAT.**

**3.1 Tabbed Proposal Submittal.** The Agency intends to retain the successful proposer pursuant to a “Best Value” basis, not a “Low Bid” basis (“Best Value,” in that the Agency will, as detailed within the following Section 4.0, consider factors other than cost in making the award decision). Therefore, so that the Agency can properly evaluate the offers received, all proposals submitted in response to this RFQ must be formatted in accordance with the sequence noted following. Each category must be separated by numbered index dividers (which number extends so that each tab can be located without opening the proposal) and labeled with the corresponding tab reference also noted below. <b>3.1.12</b>		<b>Proposal Submittal Binding Method.</b> It is preferable and recommended that the proposer bind the proposal submittals in such a manner that the Agency can, if needed, remove the binding (i.e. “spiral-type” etc.) or remove the pages from the cover (i.e. 3-ring binder; etc.) to make copies, then conveniently return the proposal submittal to its original condition.

**3.2 No Fees.** No fees shall be discussed or proposed, either verbally or in writing, during the RFQ competitive solicitation process. The Agency will, as detailed within the following Sections 4.0 and 5.0 herein, negotiate such fees with the top-rated proposer. As may be detailed herein, if the Agency makes award to one firm only, in such case the Agency does not guarantee any minimum or maximum amount of work as a result of any award ensuing from this RFQ, but will reserve the right to award any amount of work on an as-needed basis.

**3.2.1 Potential Guaranteed Contract Minimum Amount and Not-to-exceed Maximum Amount.** However, if the Agency chooses, at any time during the ensuing contract period(s), to make award to more than one firm, then the ensuing contract will be an Indefinite Quantities Contract (IQC), which, pursuant to HUD regulation, requires the Agency to award to each responsive and responsible contractor who receives an award a Guaranteed Contract Minimum Amount (GCMA) and a Not-to-exceed Maximum Contract Amount (NMCA) of work, those required minimum and maximum contract levels are (on an annual basis to any firm that receives an eventual award during that year): (a) GCMA: \$2,000; (b) NMCA: \$200,000. This GCMA and NMCA shall only apply to any firm that the Agency does business with by completing an award to that firm(s); meaning, any firm that does not eventually receive an award, then that firm is not subject to this section.

**3.2.2 No Deposit/No Retainer.** The Agency will NOT pay any deposits or retainer fees as a result of award of the ensuing contract. This means that the Agency will pay the successful proposer(s) for actual work performed only.

**3.2.3 No Travel Expense Allowed.** Whereas there are a suitable number of qualified firms in the area of Moline, the Agency will not be negotiating any travel expense (e.g. airfare; rental cars; lodging; per diem; etc.), except, at the Agency's discretion, minimal mileage, for the successful proposer to provide the services. Any limited mileage allowed will be at the current IRS rate only; the Agency will not be paying any "windshield time," though the Agency may allow limited mobilization (if such occurs, it will be the result of specific negotiation).

**3.3 Proposal Submission.** All pricing must be entered where provided within the website and all "hard-copy" proposals must be submitted and time-stamped received in the designated Agency office by no later than the submittal deadline stated herein (or within any ensuing addendum). A total of 1 original signature copy (marked "ORIGINAL") and 2 exact copies (each of the 3 separate proposal submittals shall have a cover and extending tabs) of the "hard copy" proposal submittal, shall be placed unfolded in a sealed package and addressed to:

**Moline Housing Authority  
Attention: John Afoun, Executive Director  
4141 11<sup>th</sup> Avenue A, Moline, IL 61265**

The package exterior must clearly denote the above noted RFQ number and must have the proposer's name and return address. Proposals received after the published deadline will not be accepted.

**3.3.1 Submission Conditions.** DO NOT FOLD OR MAKE ANY ADDITIONAL MARKS, NOTATIONS, OR REQUIREMENTS ON THE DOCUMENTS TO BE SUBMITTED! Proposers are not allowed to change any requirements or forms contained herein, either by making or entering onto these documents or the documents submitted any revisions or additions; and if any such additional marks, notations or requirements are entered on any of the documents that are submitted to the Agency by the proposer, such may invalidate that proposal. If, after accepting such a proposal, the Agency decides that any such entry has not changed the intent of the proposal that the Agency intended to receive, the Agency may accept the proposal and the proposal shall be considered by the Agency as if those additional marks, notations, or requirements were not entered on such. By accessing the website, registering, and downloading these documents, each prospective proposer that does so is thereby agreeing to confirm all notices that the Agency delivers to him/her as instructed, and by submitting a proposal, the proposer is thereby agreeing to abide by all terms and conditions published herein and by addendum pertaining to this RFQ.

**3.3.2 Submission Responsibilities.** It shall be the responsibility of each proposer to be aware of and to abide by all dates, times, conditions, requirements, and specifications set forth within all applicable documents issued by the Agency, including the RFQ document, the documents listed within the following Section 3.8, and any addenda and required attachments submitted by the proposer. By virtue of completing, signing, and submitting the completed documents, the proposer is stating his/her agreement to comply with all conditions and requirements set forth within

those documents. Written notice from the proposer not authorized in writing by the CO to exclude any of the Agency requirements contained within the documents may cause that proposer to not be considered for award.

**3.4 Proposer's Responsibilities – Contact with the Agency.** It is the responsibility of the proposer to address all communication and correspondence pertaining to this RFQ process to the CO only. Proposers must not make inquiry or communicate with any other Agency staff member or official (including members of the Board of Commissioners) pertaining to this RFQ. Failure to abide by this requirement may be cause for the Agency to not consider a proposal submittal received from any proposer who may not have abided by this directive.

**3.4.1 Addendums.** All questions and requests for information must be addressed in writing to the CO. The CO will respond to all such inquiries in writing by addendum to all prospective proposers (i.e. firms or individuals that have obtained the RFQ Documents). During the RFQ solicitation process, the CO will NOT conduct any *ex parte* (a substantive conversation—"substantive" meaning, when decisions pertaining to the RFQ are made—between the Agency and a prospective proposer when other prospective proposers are not present) conversations that may give one prospective proposer an advantage over other prospective proposers. This does not mean that prospective proposers may not call the CO—it simply means that, other than making replies to direct the prospective proposer where his/her answer has already been issued within the solicitation documents, the CO may not respond to the prospective proposer's inquiries but will direct him/her to submit such inquiry in writing so that the CO may more fairly respond to all prospective proposers in writing by addendum.

**3.5 Proposer's Responsibilities – Equal Employment Opportunity and Supplier Diversity.** Both the Contractor and the Agency have, pursuant to HUD regulation, certain responsibilities pertaining to the hiring and retention of personnel and subcontractors.

**3.5.1** Within 2 CFR §200.321 it states:

**3.5.1.1** Contracting with small and minority businesses, women's business enterprises, and labor surplus area firms.

**3.5.1.2 (a)** The Non-Federal entity must take all necessary affirmative steps to assure that minority businesses, women's business enterprises, and labor surplus area firms are used when possible.

**3.5.1.3 (2)** Affirmative steps must include:

**REQUEST FOR QUALIFICATIONS (RFQ) No. Q20001, Architectural/Engineering Services**

- 3.5.1.3.1 (1) Placing qualified small and minority businesses and women's business enterprises on solicitation lists;
- 3.5.1.3.2 (2) Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;
- 3.5.1.3.3 (3) Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority business, and women's business enterprises;
- 3.5.1.3.4 (4) Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority business, and women's business enterprises;
- 3.5.1.3.5 (5) Using the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce; and
- 3.5.1.3.6 (6) Requiring the prime contractor, if subcontracts are to be let, to take the affirmative steps listed in paragraphs (1) through (5) of this section.

**3.5.2** Within HUD Procurement Handbook 7460.8 REV 2 it states:

- 3.5.2.1 Section 15.5.A, Required Efforts. Consistent with Presidential Orders 11625, 12138, and 12432, the <Agency> shall make every effort to ensure that small businesses, MBEs, WBEs, and labor surplus area businesses participate in <Agency> contracting.
- 3.5.2.2 Section 15.5.B, Goals. <The Agency> is encouraged to establish goals by which they can measure the effectiveness of their efforts in implementing programs in support of . . . contracting with disadvantaged firms. It is important to ensure that the means used to establish these goals do not have the effect of limiting competition and should not be used as mandatory set-aside or quota, except as may otherwise be expressly authorized in regulation or statute. Some localities have adopted minority contracting set-aside policies or geographic limitations, which may be in conflict with Federal requirements for full and open competition.

**3.5.3** Within our Agency Procurement Policy it states that our Agency will:

**3.5.3.1 Assistance to Small and Other Business, Required Efforts:**

- 3.5.3.1.1 Including such firms, when qualified, on solicitation mailing lists;
- 3.5.3.1.2 Encouraging their participation through direct solicitation of proposals or proposals whenever they are potential sources;
- 3.5.3.1.3 Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by such firms;
- 3.5.3.1.4 Establishing delivery schedules, where the requirement permits, which encourage participation by such firms;
- 3.5.3.1.5 Using the services and assistance of the Small Business Administration, and the Minority Business Development Agency of the Department of Commerce;
- 3.5.3.1.6 Including in contracts, to the greatest extent feasible, a clause requiring contractors, to provide opportunities for training and employment for lower income residents of the project area and to award subcontracts for work in connection with the project to business concerns which provide opportunities to low-income residents, as described in 24 CFR Part 135 (so-called Section 3 businesses); and
- 3.5.3.1.7 Requiring prime contractors, when subcontracting is anticipated, to take the positive steps listed above.

**3.5.4 Requirements.** Accordingly, please see Section 3.1.7 within Table No. 4 herein which details the information pertaining to this issue that the proposer must submit in response to this proposal showing compliance, to the greatest extent feasible, with these regulations.

**3.6 Pre-proposal Conference.** There is not a pre-proposal conference scheduled as a part of this RFQ.

**3.7 Recap of Attachments.** It is the responsibility of each proposer to verify that he/she has downloaded the following attachments pertaining to this RFQ, which are hereby by reference included as a part of this RFQ:

**4.2 Evaluation Method.**

**4.2.1 Initial Evaluation for Responsiveness.** Each proposal received will first be evaluated for responsiveness (i.e. meets the minimum of the requirements).

**4.2.2 Evaluation Packet.** An evaluation packet will be prepared for each evaluator, including the following documents:

**4.2.2.1** Instructions to Evaluators;

**4.2.2.2** Proposal Tabulation Form;

**4.2.2.3** Written Narrative Form for each proposer;

**4.2.2.4** Recap of each proposer's responsiveness;

**4.2.2.5** Copy of all pertinent RFQ documents.

**4.2.3 Evaluation Committee.** The Agency anticipates that it will select a minimum of a three-person committee to evaluate each of the responsive "hard copy" proposals submitted in response to this RFQ. PLEASE NOTE: No proposer shall be informed at any time during or after the RFQ process as to the identity of any evaluation committee member. If, by chance, a proposer does become aware of the identity of such person(s), he/she SHALL NOT make any attempt to contact or discuss with such person anything related to this RFQ. As detailed within Section 3.5 of this document, the designated CO is the only person at the Agency that the proposers shall contact pertaining to this RFQ. Failure to abide by this requirement may (and most likely will) cause such proposer(s) to be eliminated from consideration for award.

**4.2.4 Evaluation.** The CO will evaluate and award points pertaining to Evaluation Factors No. 1 and 7 (the "Objective" Factors). The appointed evaluation committee, independent of the CO or any other person at the Agency, shall evaluate the responsive proposals submitted and award points pertaining to Evaluation Factors No. 1 through 5 (the "Subjective" Factors). Upon final completion of the proposal evaluation process, the evaluation committee will forward the completed evaluations to the CO.

\*Pursuant to Section 7.2.N.3 of HUD Procurement Handbook 7460.8 REV 2.

\*\*Total available points to be awarded, including cost points, minus preference points.

**4.2.5 Potential "Competitive Range" or "Best and Finals" Negotiations.** The Agency reserves the right to, as detailed within Section 7.2.N through Section 7.2.R of HUD Procurement Handbook 7460.8 REV 2, conduct a "Best and Finals" Negotiation, which may include oral interviews, with all firms deemed to be in the competitive range. Any firm deemed not to be in the competitive range shall be notified of such in writing by the Agency in as timely a manner as possible, but in any case within no longer than 10 days after the beginning of such negotiations with the firms deemed to be in the competitive range.

**4.2.6 Determination of Top-ranked Proposer.** Typically, the subjective points awarded by the evaluation committee will be combined with the objective points awarded by the CO to determine the final rankings, which is typically forwarded by the CO to the ED for approval. If the evaluation was performed to the satisfaction of the ED, the final rankings may be forwarded to the Housing Authority Board of Commissioners (BOC) at a scheduled meeting for approval. Contract negotiations may, at the Agency's option, be conducted prior to or after the BOC approval.

**4.2.6.1 Minimum Evaluation Results.** To be considered to receive an award a proposer must receive a total calculated average of at least 70 points (of the 115 total possible points detailed within Section 4.1 herein).

**4.2.6.2 Ties.** In the case of a tie in points awarded, the award shall be decided as detailed within Section 6.12.C of HUD Procurement Handbook 7460.8 REV 2, by "drawing lots or other random means of selection."

- 4.2.7 Notice of Results of Evaluation.** If an award is completed, all proposers will receive by e-mail a Notice of Results of Evaluation. Such notice shall inform all proposers of:
- 4.2.7.1** Which proposer received the award;
  - 4.2.7.2** Where each proposer placed in the process as a result of the evaluation of the proposals received; and
  - 4.2.7.3** Each proposer's right to a debriefing and to protest.
- 4.2.8 Restrictions.** All persons having familial (including in-laws) and/or employment relationships (past or current) with principals and/or employees of a proposer entity will be excluded from participation on the Agency evaluation committee. Similarly, all persons having ownership interest in and/or contract with a proposer entity will be excluded from participation on the Agency evaluation committee.

**5.0 CONTRACT AWARD.**

**5.1 Contract Award Procedure.** If a contract is awarded pursuant to this RFQ, the following detailed procedures will be followed:

**5.1.1** By completing, executing and submitting a proposal, the “proposer is thereby agreeing to abide by all terms and conditions pertaining to this RFQ as issued by the Agency, either in hard copy or on the Marketplace” including the contract clauses already attached as Attachments G and G-1 through G-4, each attached hereto. Accordingly, the Agency has no responsibility to conduct after the submittal deadline any negotiations pertaining to the contract clauses already published.

**5.2 Contract Conditions.** The following provisions are considered mandatory conditions of any contract award made by the Agency pursuant to this RFQ:

**5.2.1 Contract Form.** The Agency will not execute a contract on the Contractor’s form—contracts will only be executed on the Agency form (please see Sample Contract, Attachments G and G-1 through G-4 each attached hereto), and by submitting a proposal the Contractor agrees to do so (please note that the Agency reserves the right to amend this form as the Agency deems necessary). However, the Agency will during the RFQ process (prior to the posted question deadline) consider any contract clauses that the proposer wishes to include therein and submits in writing a request for the Agency to do so; but the failure of the Agency to include such clauses does not give the Contractor the right to refuse to execute the Agency’s contract form. It is the responsibility of each prospective proposer to notify the Agency, in writing, prior to submitting a proposal, of any contract clause that he/she is not willing to include in the final executed contract and abide by. The Agency will consider and respond to such written correspondence, and if the prospective proposer is not willing to abide by the Agency’s response (decision), then that prospective proposer shall be deemed ineligible to submit a proposal.

**5.2.1.1 Mandatory HUD Forms.** Please note that the Agency has no legal right or ability to (and will not) at any time negotiate any clauses contained within ANY of the HUD forms included as a part of this RFQ.

**5.2.2 Assignment of Personnel.** The Agency shall retain the right to demand and receive a change in personnel assigned to the work if the Agency believes that such change is in the best interest of the Agency and the completion of the contracted work.

**5.2.3 Unauthorized Sub-contracting Prohibited.** The Contractor shall not assign any right, nor delegate any duty for the work proposed pursuant to this RFQ (including, but not limited to, selling or transferring the contract) without the prior written consent of the CO. Any purported assignment of interest or delegation of duty, without the prior written consent of the CO shall be void and may result in the cancellation of the contract with the Agency, or may result in the full or partial forfeiture of

**REQUEST FOR QUALIFICATIONS (RFQ) No. Q20001, Architectural/Engineering Services**

funds paid to the Contractor as a result of the proposed contract; either as determined by the CO.

- 5.3 Contract Period.** The Agency anticipates that it will initially award a contract for the period of 1 year with the option, at the Agency’s discretion, of 2 additional one-year option periods (for the Annual Updates), for a total maximum contract period of 3 years.
- 5.4 Licensing and Insurance Requirements.** Prior to award (but not as a part of the proposal submission) the *Contractor* will be required to provide:
- 5.4.1 Workers Compensation Insurance.** An original certificate evidencing the proposer’s current industrial (worker’s compensation) insurance carrier and coverage amount (NOTE: Workers Compensation Insurance will be required of any Contractor that has employees other than just the owner working on-site to provide the services);
  - 5.4.2 General Liability Insurance.** An original certificate evidencing General Liability coverage, naming the Agency as an additional insured, together with the appropriate endorsement to said policy reflecting the addition of the Agency as an additional insured under said policy (minimum of \$1,000,000 each occurrence, general aggregate minimum limit of \$1,000,000, together with damage to premises and fire damage of \$50,000 and medical expenses any one person of \$5,000), with a commercially reasonable deductible (e.g. “commercially reasonable,” meaning at least 1% of the “general aggregate minimum” of the policy, with a maximum deductible amount of \$50,000);
  - 5.4.3 Professional Liability Insurance.** An original certificate showing the proposer’s professional liability and/or “errors and omissions” coverage (minimum of \$1,000,000 each occurrence, general aggregate minimum limit of \$1,000,000), with a commercially reasonable deductible (e.g. “commercially reasonable,” meaning at least 1% of the “general aggregate minimum” of the policy, with a maximum deductible amount of \$50,000);
  - 5.4.4 Automobile Insurance.** An original certificate showing the proposer’s automobile insurance coverage in a combined single limit of \$1,000,000. For every vehicle utilized during the term of this program, when not owned by the entity, each vehicle must have evidence of automobile insurance coverage with limits of no less than \$100,000/\$300,000 and medical pay of \$5,000.
  - 5.4.5 City/County/State Business License.** If applicable, a copy of the proposer’s business license allowing that entity to provide such services within the City of Moline, Rock Island County, and/or the State of Illinois.
  - 5.4.6 Certificates/Profile of Firm Form.** Pertaining to the aforementioned (within Sections 5.4.1 through 5.4.5) insurance certificates and licenses, each proposer is required to enter related information where provided for on the Profile of Firm Form (do not attach or submit copies of the insurance certificates or licenses within the proposal submittal—we will garner the necessary documents from the successful proposer prior to contract execution).

- 5.5 Right to Negotiate Final Fees.** The Agency shall retain the right to negotiate the amount of fees that are paid to the Contractor, meaning the fees proposed by the top-rated proposer may, at the Agency’s options, be the basis for the beginning of negotiations. Such negotiations shall begin after the Agency has chosen a top-rated proposer. If such negotiations are not, in the opinion of the CO successfully concluded within 5 business days, the Agency shall retain the right to end such negotiations and begin negotiations with the next-rated proposer. The Agency shall also retain the right to negotiate with and make an award to more than one proposer.
- 5.6 Contract Service Standards.** All work performed pursuant to this RFQ must conform and comply with all applicable local, state and federal codes, statutes, laws and regulations.
- 5.7 Prompt Return of Contract Documents.** Any and all documents required to complete the contract, including contract signature by the successful proposers, shall be provided to the Agency within 10 work days of notification by the Agency.

**Section 3 Business Preference Explanation**  
(RFP Attachment D-1)

- 1.0 Introduction. The purpose of this document is to, in simplified terms, explain to proposers major issues pertaining to the Section 3 Business Preference program required by the Agency's funding source, the U.S. Department of Housing and Urban Development (HUD). Also, hereinafter, a Section 3 Business Preference will be referred to as "Preference."
  
- 2.0 What is Section 3?
  - 2.1 Section 3 is a provision of the Housing and Urban Development Act of 1968, which recognizes that HUD funds are typically one of the largest sources of federal funding expended in communities, including those communities served by the Agency. Section 3 is intended to ensure that when a contractor has need to hire additional people as the result of receiving a contract from the Cumberland Plateau Regional Housing Authority (hereinafter, "the Agency"), preference must be given to low- and very low-income persons residing in Russell County, VA (Section 3 resident), or Section 3 business concerns.
  - 2.2 The requirements pertaining to Section 3 apply only to purchases and contracts the Agency completes for work—the requirements of Section 3 DOES NOT apply to purchases or contracts the Agency completes solely for commodities or equipment; meaning, "no work provided, no Section 3 required."
  - 2.3 Section 3 is race and gender neutral in that preferences are based on income-level and location.
  
- 3.0 What does the term "Section 3 resident" mean?
  - 3.1 A "Section 3 resident" is:
    - 3.1.1 A public housing resident of the Agency; or
    - 3.1.2 A low- or very low-income resident of Rock Island County, IL.
      - 3.1.2.1 Low- and very low-income within Rock Island County, IL is defined as residents within the following income levels for FY 2016 (Median Income = \$68,800):

[Table No. 1]

Income Limit Category	(1) Person	(2) Persons	(3) Persons	(4) Persons	(5) Persons	(6) Persons	(7) Persons	(8) Persons
Very Low (50%)	\$24,100	\$27,550	\$31,000	\$34,400	\$37,200	\$39,950	\$42,700	\$45,450
Extremely Low (30%)	\$14,500	\$16,550	\$20,160	\$24,300	\$28,440	\$32,580	\$36,730	\$40,890
Low (80%)	\$38,550	\$44,050	\$49,550	\$55,050	\$59,500	\$63,900	\$68,300	\$72,700

Income Limit figures are based on FY2016 Fair Market Rent (FMR). For a detailed account of how these limits are derived, please see our associated FY2016 FMR documentation.

**Section 3 Business Preference Explanation**  
(RFP Attachment D-1)

- 4.0 What does the term "Section 3 business concern" mean?
- 4.1 A "Section 3 business concern" is a business that can provide evidence that it meets one of the following:
- 4.1.1 It is 51% or more owned by a Section 3 resident; or
- 4.1.2 At least 30% of its full-time employees include person that are currently Section 3 residents, or within 3 years of the date of first employment with the business concern were Section 3 residents; or
- 4.1.3 Provides evidence of a commitment to subcontract in excess of 25% of the dollar award of all subcontracts to be awarded to business concerns that meet the qualifications within the preceding 3.1.1 or 3.1.2.
- 5.0 Is participation in Section 3 optional?
- 5.1 Except for purchases or contracts solely for commodities and equipment, as a part of the solicitation the Agency will offer all proposers and proposers the option of a Preference.
- 5.2 In response to a competitive solicitation (this Request for Proposals or RFP), proposers are not required to respond to the Agency with a claim of a Preference (meaning, such claim is optional and failure to respond with a claim of a Preference will not cause the proposer to be deemed non-responsive); however, if a proposer does claim a Preference, then the Agency will consider, investigate, and determine the validity of each such claim for a Preference.
- 5.3 Regardless of whether a proposer claims a Preference in response to a solicitation, the recipient of the award will be required to, "to the greatest extent feasible," implement the requirements of Section 3 during the ensuing awarded contract term.
- 6.0 Must a contractor receiving an award from the Agency take part in the Section 3 program?
- 6.1 The short answer is "Yes," as detailed following, each contractor must, "to the greatest extend feasible," take part in the program.

**Section 3 Business Preference Explanation**  
(RFP Attachment D-1)

6.1.1 If the contractor wishes, he/she may claim a Preference during the competitive solicitation process (please see Attachment D, most specifically Section 2.0 thereon). Both postmarks must show a legible date or the offer, modification, or withdrawal shall be processed as if mailed late. "Postmark" means a printed, stamped, or otherwise placed impression (exclusive of a postage meter machine impression) that is readily identifiable without further action as having been supplied and affixed by employees of the U.S. or Canadian Postal Service on the date of mailing. Therefore, offerors should request the postal clerk to place a hand cancellation bull's-eye postmark on both the receipt and the envelope or wrapper.

(e) The only acceptable evidence to establish the time of receipt at the HA is the time/date stamp of HA on the offer wrapper or other documentary evidence of receipt maintained by the HA.

(f) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent by Express Mail Next Day Service-Post Office to Addressee is the date entered by the post office receiving clerk on the "Express Mail Next Day Service-Post Office to Addressee" label and the postmark on both the envelope or wrapper and on the original receipt from the U.S. Postal Service. "Postmark" has the same meaning as defined in paragraph (c) of this provision, excluding postmarks of the Canadian Postal Service. Therefore, offerors should request the postal clerk to place a legible hand cancellation bull's eye postmark on both the receipt and the envelope or wrapper.

(g) Notwithstanding paragraph (a) of this provision, a late modification of an otherwise successful offer that makes its terms more favorable to the HA will be considered at any time it is received and may be accepted.

(h) If this solicitation is a request for proposals, proposals may be withdrawn by written notice, or if authorized by this solicitation, by telegram (including mailgram) or facsimile machine transmission received at any time before award. Proposals may be withdrawn in person by a offeror or its authorized representative if the identity of the person requesting withdrawal is established and the person signs a receipt for the offer before award. If this solicitation is an invitation for bids, bids may be withdrawn at any time prior to bid opening.

#### **7. Contract Award**

(a) The HA will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the HA, cost or price and other factors, specified elsewhere in this solicitation, considered.

(b) The HA may

- (1) reject any or all offers if such action is in the HA's interest,
- (2) accept other than the lowest offer,
- (3) waive informalities and minor irregularities in offers received, and (4) award more than one contract for all or part of the requirements stated.

(c) If this solicitation is a request for proposals, the HA may award a contract on the basis of initial offers received, without discussions. Therefore, each initial offer should contain the offeror's best terms from a cost or price and technical standpoint.

(d) A written award or acceptance of offer mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer shall result in a binding contract without further action by either party. If this solicitation is a request for proposals, before the offer's specified expiration time, the HA may accept an offer, whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award. Negotiations conducted after receipt of an offer do not constitute a rejection or counteroffer by the HA.

(e) Neither financial data submitted with an offer, nor representations concerning facilities or financing, will form a part of the resulting contract.

#### **8. Service of Protest**

Any protest against the award of a contract pursuant to this solicitation shall be served on the HA by obtaining written and dated acknowledgment of receipt from the HA at the address shown on the cover of this solicitation. The determination of the HA with regard to such protest or to proceed to award notwithstanding such protest shall be final unless appealed by the protestor.

#### **9. Offer Submission**

Offers shall be submitted as follows and shall be enclosed in a sealed envelope and addressed to the office specified in the solicitation. The proposal shall show **the hour and date specified in the solicitation for receipt, the solicitation number, and the name and address of the offeror, on the face of the envelope.**

It is very important that the offer be properly identified on the face of the envelope as set forth above in order to insure that the date and time of receipt is stamped on the face of the offer envelope. Receiving procedures are: date and time stamp those envelopes identified as proposals and deliver them immediately to the appropriate contracting official, and only date stamp those envelopes which do not contain identification of the contents and deliver them to the appropriate procuring activity only through the routine mail delivery procedure.

All drawings and specifications prepared by the Design Professional pursuant to this contract will identify any applicable patents to enable the general contractor to fulfil the requirements of the construction contract.

E. 1.7 Conflicts of Interest. Based in part on federal regulations (24 CFR 85.36(b)) and Contract agreement between the Owner and HUD, no employee, officer, or agent of the Owner (HUD grantee) shall participate in selection, or in the award or administration of a contract supported by Federal funds if a conflict of interest, real or apparent, would be involved.

Such a conflict would arise when:

(i) The employee, officer or agent,

(ii) Any member of his or her immediate family,

(iii) His or her partner, or

(iv) An organization that employs, or is about to employ, any of the above, has a financial or other interest in the firm selected for award. The grantee's or subgrantee's officers, employees or agents will neither solicit nor accept gratuities, favors or anything of monetary value from Contractors, or parties to sub-agreements. Grantees and subgrantees may set minimum rules where the financial interest is not substantial or the gift is an unsolicited item of nominal intrinsic value. To the extent permitted by State or local law or regulations, such standards or conduct will provide for penalties, sanctions, or other disciplinary actions for violations of such standards by the grantee's and subgrantee's officers, employees, or agents or by Contractors or their agents. The awarding agency may in regulation provide additional prohibitions relative to real, apparent, or potential conflicts of interest.

Neither the Owner nor any of its contractors or their subcontractors shall enter into any Contract, subcontract, or agreement, in connection with any Project or any property included or planned to be included in any Project, in which any member, officer, or employee of the Owner, or any member of the governing body of the locality in which the Project is situated, or any member of the governing body of the locality in which the Owner was activated, or in any other public official of such locality or localities who exercises any responsibilities or functions with respect to the Project during his/her tenure or for one year thereafter has any interest, direct or indirect. If any such present or former member, officer, or employee of the Owner, or any such governing body member or such other public official of such locality or localities involuntarily acquires or had acquired prior to the beginning of

his/her tenure any such interest, and if such interest is immediately disclosed to the Owner and such disclosure is entered upon the minutes of the Owner, the Owner, with the prior approval of the Government, may waive the prohibition contained in this subsection: Provided, That any such present member, officer, or employee of the Owner shall not participate in any action by the Owner relating to such contract, subcontract, or arrangement.

No member, officer, or employee of the Owner, no member of the governing body of the locality in which the project is situated, no member of the governing body of the locality in which the Owner was activated, and no other public official of such locality or localities who exercises any functions or responsibilities with respect to the project, during his/her tenure or for one year thereafter, shall have any interest, direct or indirect, in this contract or the proceeds thereof.

E. 1.8 Disputes. In part because of HUD regulations (24 CFR 85.36(i)(1)), this Design Professional Agreement, unless it is a small purchase contract, has administrative, contractual, or legal remedies for instances where the Design Professional violates or breaches Agreement terms, and provide for such sanctions and penalties as may be appropriate.

E. 1.9 Termination. In part because of HUD regulations (24 CFR 85.36(i)(2)), this Design Professional Agreement, unless it is for an amount of \$10,000 or less, has requirements regarding termination by the Owner when for cause or convenience. These include the manner by which the termination will be effected and basis for settlement.

The Limitation on Use of Appropriated Funds to Influence Certain Federal Contracting and Financial Transactions Act, Section 1352 of Title 31 U.S.C., provides in part that no appropriated funds may be expended by recipient of a federal contract, grant, loan, or cooperative agreement to pay any person, including the Design Professional, for influencing or attempting to influence an officer or employee of Congress in connection with any of the following covered Federal actions: the awarding of any federal contract, the making of any Federal grant, the making of any federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement.

E. 1.12 Employment, Training, and Contracting Opportunities for Low-Income Persons, Section 3 of the Housing and Urban Development Act of 1968.

A. The work to be performed under this contract is subject to the requirements of section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u (section 3). The purpose of section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing.

B. The parties to this contract agree to comply with HUD's regulations in 24 CFR part 135, which implement section 3. As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the part 135 regulations.

C. The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers' representative of the contractor's commitments under this section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.

D. The contractor agrees to include this section 3 clause in every subcontract subject to compliance with regulations in 24 CFR part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR part 135. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR part 135.

E. The contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 CFR part 135 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 CFR part 135.

F. Noncompliance with HUD's regulations in 24 CFR part 135 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts.

- (a) "Authority or Housing Authority (HA)" means the Housing Authority.
- (b) "Contract" means the contract entered into between the Authority and the Contractor. It includes the contract form, the Certifications and Representations, these contract clauses, and the scope of work. It includes all formal changes to any of those documents by addendum, Change Order, or other modification.
- (c) "Contractor" means the person or other entity entering into the contract with the Authority to perform all of the work required under the contract.

#### 2. Changes

- (a) The HA may at any time, by written order, and without notice to the sureties, if any, make changes within the general scope of this contract in the services to be performed or supplies to be delivered.
- (b) If any such change causes an increase or decrease in the hourly rate, the not-to-exceed amount of the contract, or the time required for performance of any part of the work under this contract, whether or not changed by the order, or otherwise affects the conditions of this contract, the HA shall make an equitable adjustment in the not-to-exceed amount, the hourly rate, the delivery schedule, or other affected terms, and shall modify the contract accordingly.
- (c) The Contractor must assert its right to an equitable adjustment under this clause within 30 days from the date of receipt of the written order. However, if the HA decides that the facts justify it, the HA may receive and act upon a

- proposal submitted before final payment of the contract.
- (d) Failure to agree to any adjustment shall be a dispute under clause Disputes, herein. However, nothing in this clause shall excuse the Contractor from proceeding with the contract as changed.
  - (e) No services for which an additional cost or fee will be charged by the Contractor shall be furnished without the prior written consent of the HA.

#### 3. Termination for Convenience and Default

- (a) The HA may terminate this contract in whole, or from time to time in part, for the HA's convenience or the failure of the Contractor to fulfill the contract obligations (default). The HA shall terminate by delivering to the Contractor a written Notice of Termination specifying the nature, extent, and effective date of the termination. Upon receipt of the notice, the Contractor shall: (i) immediately discontinue all services affected (unless the notice directs otherwise); and (ii) deliver to the HA all information, reports, papers, and other materials accumulated or generated in performing this contract, whether completed or in process.
- (b) If the termination is for the convenience of the HA, the HA shall be liable only for payment for services rendered before the effective date of the termination.
- (c) If the termination is due to the failure of the Contractor to fulfill its obligations under the contract (default), the HA may (i) require the Contractor to deliver to it, in the manner and to the extent directed by the HA, any work as described in subparagraph (a)(ii) above, and compensation be determined in accordance with the Changes clause, paragraph 2, above; (ii) take over the work and prosecute the same to completion by contract or otherwise, and the Contractor shall be liable for any additional cost incurred by the HA; (iii) withhold any payments to the Contractor, for the purpose of off-set or partial payment, as the case may be, of amounts owed to the HA by the Contractor.
- (d) If, after termination for failure to fulfill contract obligations (default), it is determined that the Contractor had not failed, the termination shall be deemed to have been effected for the convenience of the HA, and the Contractor shall be entitled to payment as described in paragraph (b) above.
- (e) Any disputes with regard to this clause are expressly made subject to the terms of clause titled Disputes herein.

#### 4. Examination and Retention of Contractor's Records

- (a) The HA, HUD, or Comptroller General of the United States, or any of their duly authorized representatives shall, until 3 years after final payment under this contract, have access to and the right to examine any of the Contractor's directly pertinent books, documents, papers, or other records involving transactions related to this contract for the purpose of making audit, examination, excerpts, and transcriptions.

- 
- (b) The Contractor agrees to include in first-tier subcontracts under this contract a clause substantially the same as paragraph (a) above. "Subcontract," as used in this clause, excludes purchase orders not exceeding \$10,000.

  - (ii) litigation or settlement of claims arising from the performance of this contract; or,
  - (iii) costs and expenses of this contract to which the HA, HUD, or Comptroller General or any of their duly authorized representatives has taken exception shall continue until disposition of such appeals, litigation, claims, or exceptions.

#### 5. Rights in Data (Ownership and Proprietary Interest)

The HA shall have exclusive ownership of, all proprietary interest in, and the right to full and exclusive possession of all information, materials and documents discovered or produced by Contractor pursuant to the terms of this Contract, including but not limited to reports, memoranda or letters concerning the research and reporting tasks of this Contract.

#### 6. Energy Efficiency

The contractor shall comply with all mandatory standards and policies relating to energy efficiency which are contained in the energy conservation plan issued in compliance with the Energy Policy and Conservation Act (Pub.L. 94-163) for the State in which the work under this contract is performed.

#### 7. Disputes

- (a) All disputes arising under or relating to this contract, except for disputes arising under clauses contained in Section III, Labor Standards Provisions, including any claims for damages for the alleged breach there of which are not disposed of by agreement, shall be resolved under this clause.
- (b) All claims by the Contractor shall be made in writing and submitted to the HA. A claim by the HA against the Contractor shall be subject to a written decision by the HA.
- (c) The HA shall, with reasonable promptness, but in no event in no more than 60 days, render a decision concerning any claim hereunder. Unless the Contractor, within 30 days after receipt of the HA's decision, shall notify the HA in writing that it takes exception to such decision, the decision shall be final and conclusive.
- (d) Provided the Contractor has (i) given the notice within the time stated in paragraph (c) above, and (ii) excepted its claim relating to such decision from the final release, and (iii) brought suit against the HA not later than one year after receipt of final payment, or if final payment has not been made, not later than one year after the Contractor has had a reasonable time to respond to a written request by the HA that it submit a final voucher and release, whichever is earlier, then the HA's decision shall not be final or conclusive, but the dispute shall be determined on the merits by a court of competent jurisdiction.
- (e) The Contractor shall proceed diligently with performance of this contract, pending final resolution of any request for relief, claim, appeal, or action arising under the contract, and comply with any decision of the HA.

#### 8. Contract Termination; Debarment

A breach of these Contract clauses may be grounds for termination of the Contract and for debarment or denial of participation in HUD programs as a Contractor and a subcontractor as provided in 24 CFR Part 24.

#### 9. Assignment of Contract

The Contractor shall not assign or transfer any interest in this contract; except that claims for monies due or to become due from the HA under the contract may be assigned to a bank, trust company, or other financial institution. If the Contractor is a partnership, this contract shall inure to the benefit of the surviving or remaining member(s) of such partnership approved by the HA.

#### 10. Certificate and Release

Prior to final payment under this contract, or prior to settlement upon termination of this contract, and as a condition precedent thereto, the Contractor shall execute and deliver to the HA a certificate and release, in a form acceptable to the HA, of all claims against the HA by the Contractor under and by virtue of this contract, other than such claims, if any, as may be specifically excepted by the Contractor in stated amounts set forth therein.

#### 11. Organizational Conflicts of Interest

- (a) The Contractor warrants that to the best of its knowledge and belief and except as otherwise disclosed, it does not have any organizational conflict of interest which is defined as a situation in which the nature of work under this contract and a contractor's organizational, financial, contractual or other interests are such that:
  - (i) Award of the contract may result in an unfair competitive advantage; or
  - (ii) The Contractor's objectivity in performing the contract work may be impaired.
- (b) The Contractor agrees that if after award it discovers an organizational conflict of interest with respect to this contract or any task/delivery order under the contract, he or she shall make an immediate and full disclosure in writing to the Contracting Officer which shall include a description of the action which the Contractor has taken or intends to take to eliminate or neutralize the conflict. The HA may, however, terminate the contract or task/delivery order for the convenience of the HA if it would be in the best interest of the HA.
- (c) In the event the Contractor was aware of an organizational conflict of interest before the award of this contract and intentionally did not disclose the conflict to the Contracting Officer, the HA may terminate the contract for default.
- (d) The terms of this clause shall be included in all subcontracts and consulting agreements wherein the work to be performed is similar to the service provided by the prime Contractor. The Contractor shall include in such subcontracts and consulting agreements any necessary provisions to eliminate or neutralize conflicts of interest.

#### 12. Inspection and Acceptance

- (a) The HA has the right to review, require correction, if necessary, and accept the work products produced by the Contractor. Such review(s) shall be carried out within 30 days so as to not impede the work of the Contractor. Any

product of work shall be deemed accepted as submitted if the HA does not issue written comments and/or required corrections within 30 days from the date of receipt of such product from the Contractor.

- (b) The Contractor shall make any required corrections promptly at no additional charge and return a revised copy of the product to the HA within 7 days of notification or a later date if extended by the HA.
- (c) Failure by the Contractor to proceed with reasonable promptness to make necessary corrections shall be a default. If the Contractor's submission of corrected work remains unacceptable, the HA may terminate this contract (or the task order involved) or reduce the contract price or cost to reflect the reduced value of services received.

### 13. Interest of Members of Congress

No member of or delegate to the Congress of the United States of America or Resident Commissioner shall be admitted to any share or part of this contract or to any benefit to arise there from, but this provision shall not be construed to extend to this contract if made with a corporation for its general benefit.

### 14. Interest of Members, Officers, or Employees and Former Members, Officers, or Employees

No member, officer, or employee of the HA, no member of the governing body of the locality in which the project is situated, no member of the governing body in which the HA was activated, and no other public official of such locality or localities who exercises any functions or responsibilities with respect to the project, shall, during his or her tenure, or for one year thereafter, have any interest, direct or indirect, in this contract or the proceeds thereof.

(ii) The prohibition does not apply as follows:

(1) Agency and legislative liaison by Own Employees.

(a) The prohibition on the use of appropriated funds, in paragraph (i) of this section, does not apply in the case of a payment of reasonable compensation made to an officer or employee of a person requesting or receiving a Federal contract, grant, loan, or cooperative agreement, if the payment is for agency and legislative activities not directly related to a covered Federal action.

(b) For purposes of paragraph (b)(i)(1)(a) of this clause, providing any information specifically requested by an agency or Congress is permitted at any time.

(2) Professional and technical services.

(a) The prohibition on the use of appropriated funds, in subparagraph (b)(i) of this clause, does not apply in the case of-

(i) A payment of reasonable compensation made to an officer or employee of a person requesting or receiving a covered Federal action or an extension, continuation, renewal, amendment, or modification of a covered Federal action, if payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal action or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal action.

(ii) Any reasonable payment to a person, other than an officer or employee of a

person requesting or receiving a covered Federal action or an extension, continuation, renewal, amendment, or modification of a covered Federal action if the payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal action or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal action. Persons other than officers or employees of a person requesting or receiving a covered Federal action include consultants and trade associations.

(iii) Selling activities by independent sales representatives.

(c) The prohibition on the use of appropriated funds, in subparagraph (b)(i) of this clause, does not apply to the following selling activities before an agency by independent sales representatives, provided such activities are prior to formal solicitation by an agency and are specifically limited to the merits of the matter:

(i) Discussing with an agency (including individual demonstration) the qualities and characteristics of the person's products or services, conditions or terms of sale, and service capabilities; and

(ii) Technical discussions and other activities regarding the application or adaptation of the person's products or services for an agency's use.

(d) Agreement. In accepting any contract, grant, cooperative agreement, or loan resulting from this solicitation, the person submitting the offer agrees not to make any payment prohibited by this clause.

(e) Penalties. Any person who makes an expenditure prohibited under paragraph (b) of this clause shall be subject to civil penalties as provided for by 31 U.S.C. 1352. An imposition of a civil penalty does not prevent the Government from seeking any other remedy that may be applicable.

(f) Cost Allowability. Nothing in this clause is to be interpreted to make allowable or reasonable any costs which would be unallowable or unreasonable in accordance with Part 31 of the Federal Acquisition Regulation (FAR), or OMB Circulars dealing with cost allowability for recipients of assistance agreements. Conversely, costs made specifically unallowable by the requirements in this clause will not be made allowable under any of the provisions of FAR Part 31 or the relevant OMB Circulars.

- (a) The Contractor shall not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin.

1.0 2 CFR §200.326, Appendix II, *Contract Provisions for Non-Federal Entity Contracts Under Federal Awards*. Pursuant to this CFR, as issued by the Office of the U.S. Secretary of HUD, the Agency, and the Contractor each agree to comply with the following provisions and agree that any contract that ensues as a result of this RFQ will include the following clauses, whether actually inserted or by reference:

1.1 **Remedies for Contractor Breach.** Pertaining to contract-related issues, it is the responsibility of both the Agency and the Contractor to communicate with each in as clear and complete a manner as possible. If at any time during the term of this contract the Agency or the Contractor is not satisfied with any issue, it is the responsibility of that party to deliver to the other party communication, in writing, fully detailing the issue and corrective action (please note that the Agency has the right to issue unilateral addendums to this contract, but the Contractor does not have the same right). The other party shall, within 10 days, respond in writing to the other party (however, the Agency shall retain the right to, if conditions warrant, require the Contractor to respond in a shorter period of time). Further, the Agency shall, at a minimum, employ the following steps in dealing with the Contractor as to any performance issues:

1.1.1 If the Contractor is in material breach of the contract, the Agency may promptly invoke the termination clause detailed within Section No. 3 of Contract Appendix No. 1, form HUD-5370-C (01/2014), *General Conditions for Non-Construction Contracts, Section I—(With or without Maintenance Work)*, which is attached hereto, and terminate the contract for cause. Such termination must be delivered to the Contractor in writing and shall fully detail all pertinent issues pertaining to the cause of and justification for the termination.

1.1.2 Prior to termination, the Agency may choose to warn the Contractor, verbally or in writing, of any issue of non-compliant or unsatisfactory performance. Such written warning may include placing the Contractor on probation, thereby giving the Contractor a certain period of time to correct the deficiencies or potentially suffer termination. The Agency shall maintain in the contract file a written record of any such warning detailing all pertinent information. If the Contractor does not agree with such action, the Contractor shall have ten 10 days to dispute or protest, in writing, such action; if he/she does not do so within the 10-day period, he/she shall have no recourse but to accept and agree with the Agency's position on the issue. The written protest must detail all pertinent information pertaining to the dispute, including justification detailing the Agency's alleged incorrect action(s).

- 1.1.3 After termination, if the Contractor does not agree with the Agency's justification for the termination, the Contractor shall have 10 days to dispute, in writing, such action; if he/she does not do so within the 10-day period, he/she shall have no recourse but to accept and agree with the Agency's position on the issue. The written protest must detail all pertinent information pertaining to the dispute, including justification detailing the Agency's alleged incorrect action(s).
- 1.1.4 The response to any protest received shall be conducted in accordance with Section No. 4.0 of the *Instructions to Proposers and Contractors* document.
- 1.2 **Termination for Cause and Convenience.** For all contracts in excess of \$10,000, as detailed within Clause No. 3 of Contract Appendix No. 1, form HUD-5370-C (01/2014), *General Conditions for Non-Construction Contracts, Section I—(With or without Maintenance Work)*, attached hereto.
- 1.3 **Equal Employment Opportunity.** Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."
- 1.4 **Davis-Bacon Act, as amended (40 U.S.C.3141-3148).** When required by Federal program legislation, all prime construction contracts in excess of \$2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C.3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors [are] required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors [are] required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous, or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or *contracts for transportation or transmission of intelligence*.
- 1.6 **Rights to Inventions Made Under a Contract or Agreement.** If the Federal award meets the definition of “funding agreement” under 37 CFR §401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that “funding agreement,” the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements,” and any implementing regulations issued by the awarding agency.

Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).
- 1.8 **Mandatory standards and policies relating to energy efficiency** which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (42 U.S.C. 6201).

PAPERWORK REDUCTION ACT STATEMENT: Public reporting burden for this collection of information is estimated to average 29 hours (25 hours for part 1 and 4 hours for Part 2) per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspects of this collection of information, including suggestions for reducing this burden, to U.S. General Services Administration, Regulatory Secretariat (MVCB)/IC 9000-0157, Office of Governmentwide Acquisition Policy, 1800 F Street, NW, Washington, DC 20405.

## PURPOSE

Federal agencies use this form to obtain information from architect-engineer (A-E) firms about their professional qualifications. Federal agencies select firms for A-E contracts on the basis of professional qualifications as required by 40 U.S.C. chapter 11, Selection of Architects Engineers, and Part 36 of the Federal Acquisition Regulation (FAR).

The Selection of Architects and Engineers statute requires the public announcement of requirements for A-E services (with some exceptions provided by other statutes), and the selection of at least three of the most highly qualified firms based on demonstrated competence and professional qualifications according to specific criteria published in the announcement. The Act then requires the negotiation of a contract at a fair and reasonable price starting first with the most highly qualified firm.

The information used to evaluate firms is from this form and other sources, including performance evaluations, any additional data requested by the agency, and interviews with the most highly qualified firms and their references.

## GENERAL INSTRUCTIONS

Part I presents the qualifications for a specific contract.

Part II presents the general qualifications of a firm or a specific branch office of a firm. Part II has two uses:

1. An A-E firm may submit Part II to the appropriate central, regional or local office of each Federal agency to be kept on file. A public announcement is not required for certain contracts, and agencies may use Part II as a basis for selecting at least three of the most highly qualified firms for discussions prior to requesting submission of Part I. Firms are encouraged to update Part II on file with agency offices, as appropriate, according to FAR Part 36. If a firm has branch offices, submit a separate Part II for each branch office seeking work.

2. Prepare a separate Part II for each firm that will be part of the team proposed for a specific contract and submitted with Part I. If a firm has branch offices, submit a separate Part II for each branch office that has a key role on the team.

## INDIVIDUAL AGENCY INSTRUCTIONS

Individual agencies may supplement these instructions. For example, they may limit the number of projects or number of

pages submitted in Part I in response to a public announcement for a particular project. Carefully comply with any agency instructions when preparing and submitting this form. Be as concise as possible and provide only the information requested by the agency.

## DEFINITIONS

**Architect-Engineer Services:** Defined in FAR 2.101.

**Branch Office:** A geographically distinct place of business or subsidiary office of a firm that has a key role on the team.
