- 1. Equipment, Availability, Delivery and Financing 15 Points**
Equipment manufacturer details, manufacturer’s and/or Contractor’s extra warranty or service options, utility requirements, potential technological upgrades, energy efficiency, etc., and timetable needed to make a complete or staged delivery and installation of the equipment at the three MHA sites. If optional higher-grade Speed Queen machines are available, they should be identified and explained here, and with a separate cost breakdown proposal(s) provided in Factor #5 below identified as “Optional Upgrade” equipment. Any special financing or equipment breakdown replacement purchase options, if any, should also be identified here.

- 2. Qualifications/Experience of Contractor, including maintenance and warranty services 35 Points**
Qualifications of the Contractor, experience of personnel assigned to this project, identity of entity providing the Extended Warranty if not the Contractor, description of training program of service personnel, relationship of service personnel to the Contractor (employee, independent contractor, etc.), availability of service personnel (business hours, weekends, holidays, etc.), availability and response times of service personnel for MHA-declared emergency calls, and distance of service personnel home base from MHA’s business address at 4141 11th Ave. A, Moline, IL.

Identify here any extra benefits to MHA offered by the Contractor and the cost of same, e.g., basic equipment maintenance training by Contractor to MHA personnel, availability and terms of replacement equipment if the original equipment must be replaced or cannot be repaired, periodic cleaning of machines, vents and fans as needed, etc.

Include at least three company references in this section and a list of Illinois/Iowa and Quad City clients using laundry equipment, laundry repair, or Extended Warranty services from the Contractor.

3. Willingness of Contractor to install/integrate the “PayRange” cellular cashless convenience phone application equipment in the machines with delivery 10 points

If not already included and clearly marked in the proposal, state separately the charge to MHA for Contractor installation of the “PayRange” module and other required hardware, if such service is available by the Contractor. Charges should be listed per machine, site, and include any related costs and/or use limitations. The Contractor installation schedule should be specified if it is other than at delivery. Also provide any information that impacts the cost, delivery, and use of the machines if the “PayRange” app is not installed at delivery.

4. Specific plans or methodology to be used to perform the services 10 Points

Personnel training, service call handling and response times, ease to follow directions for use of the equipment (such as signs in multiple languages as well as directions on amount of detergent to use), the reporting of equipment failures for repairs, and communications portals between Contractor and MHA for service and questions.

Speed Queen model numbers must be included. If stacked dryer units are treated differently from single unit machines for any aspect of the charges for equipment, coin boxes, delivery and installation, maintenance, “PayRange”, and Extended Warranty terms, they must be clearly identified. MHA CONFLICT OF INTEREST STATEMENT

The terms “Contractor” or “Offeror” or “Bidder” shall have the same meaning, and shall refer to the selected firm(s) under the bid.

PART I. CONFLICT OF INTEREST

1. Neither the Moline Housing Authority (MHA) nor any of its subcontractors or their subcontractors may enter into any contract or arrangement in connection with a project in which any of the following classes of people has an interest, direct or indirect, during his or her tenure or for one year thereafter:
 - a. Any present or former member or officer of the governing body of MHA or any member of the immediate family of such member or officer. There shall be excepted from this prohibition any present or former tenant commissioner who does not serve on the governing body of a resident corporation, and who otherwise does not occupy a policy-making position with the resident corporation, MHA or a business entity.
 - b. Any employee of MHA who formulates policy or who influences decisions with respect to the project(s), or any member of the employee's immediate family, or the employee's partner.
 - c. Any public official, member of the local governing body, or State or local legislator, or any member of such individual's immediate family, who exercises functions or responsibilities with respect to the project(s) or MHA.
2. Any member of these classes of persons must disclose the member's interest or prospective interest to MHA and the United States Department of Housing and Urban Development (HUD).
3. Any bidder/Offeror who submits a proposal or bid in response to an MHA solicitation must disclose in its proposal or bid, the interest, direct or indirect, of any member of these classes of persons in such bidder/Offeror, and shall also make the disclosures required in Parts II and III below. “Offeror” as used in Parts II and III below, refers to bidders in sealed bidding, and Offerors/responders in competitive proposals, and “offer” shall refer to bids and proposals.
4. For purposes of this section, the term, "immediate family member" means the spouse, mother, father, brother, sister, or child of a covered class member (whether related as a full blood relative, or as a "half" or "step" relative, e.g. a half-brother or stepchild).
5. No member of or delegate to the Congress of the United States of America or any representative of MHA shall be admitted to any share or part of any contract or to any benefits, which may arise from it.

PART II. ORGANIZATIONAL CONFLICTS OF INTEREST NOTIFICATION

1. It is MHA's policy to avoid situations which place an Offeror in a position where its judgment may be biased if awarded the contract because of any past, present, or currently planned interest, financial or otherwise, that the Offeror may have which relates to the work to be performed pursuant to the proposed contract or where the Offeror receives an unfair competitive advantage in submitting a proposal or bid for the proposed contract,

such as, for example, an Offeror who submits a proposal or bid after acting as a consultant to MHA in preparing the specifications or performing a study for the proposed contract. Such situations which may either impair the Offeror's objectivity in performing the proposed contract work or result in an unfair competitive advantage to the Offeror are considered organizational conflicts of interest.

2. Where an Offeror is aware of, or has reason to be aware of an organizational conflict of interest, whether an actual or apparent conflict, the Offeror shall provide a statement which describes in a concise manner all relevant facts concerning any past, present, or currently planned interest, financial, contractual, organizational, or otherwise, relating to the work to be performed hereunder and bearing on whether the Offeror has a possible organizational conflict of interest with respect to:
 - a. being able to render impartial, technical sound, and objective assistance or advice, or
 - b. being given an unfair competitive advantage.
- 2.1 During the term of the contract resulting from this solicitation, the contractor and all principals and partners of any joint venture awarded a contract under this solicitation (collectively referred to herein as the "Contractor"), shall be prohibited from providing services for or on behalf of any person, firm or company, which is in a position that is adverse to the interests of MHA. A position adverse to the interests of MHA shall include, but not be limited to, a person, firm or company that has a claim for damages against MHA in any judicial or administrative tribunal. Further, the Contractor shall not engage any subcontractor for the performance of any services under the proposed contract if such subcontractor has, at any time within the twelve (12) consecutive month period preceding the commencement of its engagement with the Contractor under the proposed contract, provided any services for or on behalf of any person, firm or company, which is in a position that is adverse to the interests of MHA. The Contractor shall insert and enforce a similar provision in its contract documents with each subcontractor. From time to time, during the term of the proposed contract MHA may require (a) the Contractor to submit a certification and affidavit as to the Contractor's compliance with the terms of this subsection 2.1; and (b) the Contractor to submit to MHA a certification and affidavit from any or all subcontractors as to their compliance with such substantially similar provision as shall be enforced by the Contractor. The Contractor shall immediately terminate any subcontractor in violation of the terms of this subsection 2.1. Failure of the Contractor to comply with the requirements of this subsection 2.1, or to terminate immediately any subcontractor in violation of such provision, shall constitute a default under the proposed contract and grounds for termination of the contract for cause, without liability to MHA.
3. The Offeror may also provide relevant facts that show how its organizational structure and/or management systems limit its knowledge of possible organizational conflicts of interest relating to other divisions of the organization and how that structure or system would avoid or mitigate such organizational conflict.
4. In the absence of any relevant interests referred to above, or any conflict of interest, financial, organizational, contractual or otherwise, Offerors shall complete the certification in Part III below, titled Conflict of Interest Certification of Offeror.
5. No award shall be made until the disclosure or certification has been evaluated by the Contracting Officer. Failure to provide the disclosure or certification will be deemed to

be a minor infraction and the Offeror will be permitted to correct the omission within a time frame established by the Contracting Officer.

6. Refusal to provide the disclosure or certification and any additional information as required, or the willful nondisclosure or misrepresentation of any relevant information shall disqualify the Offeror.
7. If the Contracting Officer determines that a potential conflict exists, the selected Offeror shall not receive an award unless the conflict can be avoided or otherwise resolved as determined by the Contracting Officer.
8. In the event the Offeror is aware of an organizational conflict of interest and intentionally does not disclose the existence of such conflict to the Contracting Officer before the award of this contract, MHA may terminate the contract for default.
9. The term "Affiliated Entities" shall include any parent, subsidiary, partner and/or joint venture of or with the Offeror and any person or entity that shares in the profits of the Offeror or in the proceeds or profits resulting from the proposed contract. The Offeror shall not contract with any Affiliated Entity without obtaining MHA's written approval of such contract. The Offeror shall disclose to MHA all contracts that it has with any Affiliated Entities to provide goods, materials, equipment, supplies or services, of any nature of kind, with respect to the proposed contract.

PART III. CONFLICT OF INTEREST CERTIFICATION OF OFFEROR

1. The Offeror certifies that to the best of its knowledge and belief and except as otherwise disclosed, no member of the classes of persons listed in Part I above has an interest or prospective interest, direct or indirect, financial, contractual, organizational or otherwise, in the Offeror.
2. The Offeror certifies that to the best of its knowledge and belief and except as otherwise disclosed, it does not have any actual or apparent organizational conflict of interest which is defined as a situation in which the nature of work to be performed under this proposed contract and the Offeror's organizational, financial, contractual or other interests may:
 - (a) Result in an unfair competitive advantage to the Offeror; or
 - (b) Impair the Offeror's objectivity in performing the contract work.
3. The Offeror agrees that if the contract is awarded to the Offeror, and after award it discovers an actual or apparent conflict of interest, financial, contractual, organizational or otherwise, with respect to this contract, it shall make an immediate and full disclosure in writing to the Contracting Officer which shall include a description of the action which the Offeror has taken or intends to take to eliminate or resolve the conflict. MHA may, however, terminate the contract for the convenience of HUD and/or MHA.
4. The Offeror agrees that if the contract is awarded to the Offeror, the terms of this conflict of interest clause and any necessary provisions to eliminate conflicts of interest shall be included in all subcontracts and consulting agreements resulting from the proposed contract.
5. In the absence of any interest in the Offeror held by any member of the classes of persons referred to above and in the absence of any actual or apparent conflict, I, hereby certify and affirm under penalties of perjury, that to the best of my knowledge and belief, no actual or apparent conflict of interest exists with regard to my possible performance of

the proposed contract. The undersigned official certifies that he/she is authorized to sign this proposal form for the firm.

U.S. Department of Housing
and Urban Development
Office of Public and Indian Housing

- 03291 -

1. Preparation of Offers

(a) Offerors are expected to examine the statement of work, the proposed contract terms and conditions, and all instructions. Failure to do so will be at the offeror's risk.

(b) Each offeror shall furnish the information required by the solicitation. The offeror shall sign the offer and print or type its name on the cover sheet and each continuation sheet on which it makes an entry. Erasures or other changes must be initialed by the person signing the offer. Offers signed by an agent shall be accompanied by evidence of that agent's authority, unless that evidence has been previously furnished to the HA.

(c) Offers for services other than those specified will not be considered.

2. Submission of Offers

(a) Offers and modifications thereof shall be submitted in sealed envelopes or packages (1) addressed to the office specified in the solicitation, and (2) showing the time specified for receipt, the solicitation number, and the name and address of the offeror.

(b) Telegraphic offers will not be considered unless authorized by the solicitation; however, offers may be modified by written or telegraphic notice.

(c) Facsimile offers, modifications or withdrawals will not be considered unless authorized by the solicitation.

3. Amendments to Solicitations

(a) If this solicitation is amended, then all terms and conditions which are not modified remain unchanged.

(b) Offerors shall acknowledge receipt of any amendments to this solicitation by

- (1) signing and returning the amendment;
- (2) identifying the amendment number and date in the space provided for this purpose on the form for submitting an offer,
- (3) letter or telegram, or
- (4) facsimile, if facsimile offers are authorized in the solicitation. The HA/HUD must receive the acknowledgment by the time specified for receipt of offers.

4. Explanation to Prospective Offerors

Any prospective offeror desiring an explanation or interpretation of the solicitation, statement of work, etc., must request it in writing soon enough to allow a reply to reach all prospective offerors before the submission of their offers. Oral explanations or instructions given before the award of the contract will not be binding. Any information given to a prospective offeror concerning a solicitation will be furnished promptly to all other prospective offerors as an amendment of the solicitation, if that information is necessary in submitting offers or if the lack of it would be prejudicial to any other prospective offerors.

5. Responsibility of Prospective Contractor

(a) The HA shall award a contract only to a responsible prospective contractor who is able to perform successfully under the terms and conditions of the proposed contract. To be determined responsible, a prospective contractor must -

- (1) Have adequate financial resources to perform the contract, or the ability to obtain them;

- (2) Have a satisfactory performance record;
- (3) Have a satisfactory record of integrity and business ethics;
- (4) Have a satisfactory record of compliance with public policy (e.g., Equal Employment Opportunity); and
- (5) Not have been suspended, debarred, or otherwise determined to be ineligible for award of contracts by the Department of Housing and Urban Development or any other agency of the U.S. Government. Current lists of ineligible contractors are available for inspection at the HA/HUD.

(b) Before an offer is considered for award, the offeror may be requested by the HA to submit a statement or other documentation regarding any of the foregoing requirements. Failure by the offeror to provide such additional information may render the offeror ineligible for award.

6. Late Submissions, Modifications, and Withdrawal of Offers

(a) Any offer received at the place designated in the solicitation after the exact time specified for receipt will not be considered unless it is received before award is made and it -

- (1) Was sent by registered or certified mail not later than the fifth calendar day before the date specified for receipt of offers (e.g., an offer submitted in response to a solicitation requiring receipt of offers by the 20th of the month must have been mailed by the 15th);
- (2) Was sent by mail, or if authorized by the solicitation, was sent by telegram or via facsimile, and it is determined by the HA/ HUD that the late receipt was due solely to mishandling by the HA/ HUD after receipt at the HA;
- (3) Was sent by U.S. Postal Service Express Mail Next Day Service - Post Office to Addressee, not later than 5:00 p.m. at the place of mailing two working days prior to the date specified for receipt of proposals. The term "working days" excludes weekends and U.S. Federal holidays; or
- (4) Is the only offer received.

(b) Any modification of an offer, except a modification resulting from the HA's request for "best and final" offer (if this solicitation is a request for proposals), is subject to the same conditions as in subparagraphs (a)(1), (2), and (3) of this provision.

(c) A modification resulting from the HA's request for "best and final" offer received after the time and date specified in the request will not be considered unless received before award and the late receipt is due solely to mishandling by the HA after receipt at the HA.

(d) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent either by registered or certified mail is the U.S. or Canadian Postal Service postmark both on the envelope or wrapper and on the original receipt from the U.S. or Canadian Postal Service. Both postmarks must show a legible date or the offer, modification, or withdrawal shall be processed as if mailed late. "Postmark" means a printed, stamped, or otherwise placed impression (exclusive of a postage meter machine impression) that is readily identifiable without further action as having been supplied and affixed by employees of the U.S. or Canadian Postal Service on the date of mailing. Therefore, offerors should request the postal clerk to place a hand cancellation bull's-eye postmark on both the receipt and the envelope or wrapper.

(e) The only acceptable evidence to establish the time of receipt at the HA is the time/date stamp of HA on the offer wrapper or other documentary evidence of receipt maintained by the HA.

(f) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent by Express Mail Next Day Service-Post Office to Addressee is the date entered by the post office receiving clerk on the "Express Mail Next Day Service-Post Office to Addressee" label and the postmark on both the envelope or wrapper and on the original receipt from the U.S. Postal Service. "Postmark" has the same meaning as defined in paragraph (c) of this provision, excluding postmarks of the Canadian Postal Service. Therefore, offerors should request the postal clerk to place a legible hand cancellation bull's eye postmark on both the receipt and the envelope or wrapper.

(g) Notwithstanding paragraph (a) of this provision, a late modification of an otherwise successful offer that makes its terms more favorable to the HA will be considered at any time it is received and may be accepted.

(h) If this solicitation is a request for proposals, proposals may be withdrawn by written notice, or if authorized by this solicitation, by telegram (including mailgram) or facsimile machine transmission received at any time before award. Proposals may be withdrawn in person by a offeror or its authorized representative if the identity of the person requesting withdrawal is established and the person signs a receipt for the offer before award. If this solicitation is an invitation for bids, bids may be withdrawn at any time prior to bid opening.

7. Contract Award

(a) The HA will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the HA, cost or price and other factors, specified elsewhere in this solicitation, considered.

(b) The HA may

- (1) reject any or all offers if such action is in the HA's interest,
- (2) accept other than the lowest offer,
- (3) waive informalities and minor irregularities in offers received, and (4) award more than one contract for all or part of the requirements stated.

(c) If this solicitation is a request for proposals, the HA may award a contract on the basis of initial offers received, without discussions. Therefore, each initial offer should contain the offeror's best terms from a cost or price and technical standpoint.

(d) A written award or acceptance of offer mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer shall result in a binding contract without further action by either party. If this solicitation is a request for proposals, before the offer's specified expiration time, the HA may accept an offer, whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award. Negotiations conducted after receipt of an offer do not constitute a rejection or counteroffer by the HA.

(e) Neither financial data submitted with an offer, nor representations concerning facilities or financing, will form a part of the resulting contract.

8. Service of Protest

Any protest against the award of a contract pursuant to this solicitation shall be served on the HA by obtaining written and dated acknowledgment of receipt from the HA at the address shown on the cover of this solicitation. The determination of the HA with regard to such protest or to proceed to award notwithstanding such protest shall be final unless appealed by the protestor.

9. Offer Submission

Offers shall be submitted as follows and shall be enclosed in a sealed envelope and addressed to the office specified in the solicitation. The proposal shall show **the hour and date specified in the solicitation for receipt, the solicitation number, and the name and address of the offeror, on the face of the envelope.**

It is very important that the offer be properly identified on the face of the envelope as set forth above in order to insure that the date and time of receipt is stamped on the face of the offer envelope. Receiving procedures are: date and time stamp those envelopes identified as proposals and deliver them immediately to the appropriate contracting official, and only date stamp those envelopes which do not contain identification of the contents and deliver them to the appropriate procuring activity only through the routine mail delivery procedure.
